

THE
FORGOTTEN

THE DEAD

Dear artists,

In the weekend from 19 to 21 november, we'll give you the chance to give a boost to your dead (career).

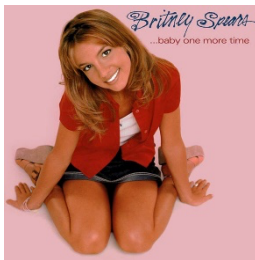

Some of you died during the highlight of your career and now is the time to give you a second chance! Whether you are from club 27, have no nose, nice hair or died from an overdose; Come to our weekend to reclaim your place at the top of the world!

On the other side we have the artist who are still alive, but their careers are no longer kicking. People may only remember your name because of a hashtag #FreeBritney, because you embarrass yourself trying to stay young, because once a year during a certain period your song get blasted through the radio day in and out or because people want some 'ice ice baby' in their rosé on the rocks.

The forgotten will face the dead in a battle to fame!
More info will come your way soon...

For this starweekend, we would like to ask you to deposit a sum of **28 euros** on our banknumber:
